

EMOTIONAL BLISS

© 2009 Alex Balingit

G# B C# G#
Step on the rock, the rock was sound
B C# G# B C#
Then love came tumbling, a tumbling down, down, down...
G# B C# G# B C#
Down, down, down... just like a waterfall

Silky smooth rain
Streams right down my face
Tears fall from the skies
Candle's light your eyes

Emotional bliss... the faintest touch from your fingertips
Emotional bliss... the faintest whispers from your very lips

Sends shivers down my spine, leaves my body aching all the time
Sends shivers down my spine, leaves my body aching all the time
