

FALLING

G **D/F Em** **C** **G D/F Em C**

I'm so weak I'm, I'm so weak I'm... dry bones

G **D/F Em** **C** **G D/F Em C**

I've grown tired and I've grown tired... I've grown weary

G **D/F Em** **C** **G** **D/F Em C**

My chest is heavy, my chest is heavy... I can barely breathe

G **D/F Em** **C** **G D/F Em**

My knees are shaking, my knees are shaking... I can't carry on

C **Em** **D/F** **G**

Falling face down on the floor

D/F Em **D/F** **G**

You came down, unlocked the door

D/F Em **D/F** **G**

You called my name, reached out your hand

D/F Em **D/F** **G** **D/F Em C**

Then cradled me right in your arms

Where were you when, where were you when... I cried
Thought I'd lost you, thought I'd lost you... thought that you died
Let me come and, let me come and... let me see
What it feels like, what it tastes like... your beauty

I'm so in love with, I'm so in love with... with you
I just want to, I just want to... thank you
You're so good and you're so good and... it's true
I just want to, I just want to... be with you

Whispered Grace, songs over me
Truthful Love, spoken tenderly
Reality destroys my fears
Brokenness just disappears
