

GLORY

C **B** **G**
We rise and then we fall
C **B** **G**
Only to hear the Father's call
C **B** **G**
From the rising to the setting of the sun
C **B** **G**
There's work still to be done
C **B** **G**
Bringing the Word of the Lord
C **B** **G**
To all the hurt, lost, broken souls
C **B** **G**
So raise your hands and sing
C **B** **G**
All praise to the Risen King

C **B** **G**
Singing Glory, Glory, Alleluia
C **B** **G**
Singing Glory, Glory, Alleluia

Let the song of the redeemed
Show love that unfolding
To all the blind men who can't see
His love is a mystery
Let go of what you were
There's hope and a future
So ask, then knock, and seek
The presence of his majesty

They sing, "Hosanna in the highest"
Come Lord, open up my mind
Just let your spirit flow
