

# MOST HIGH

**D**

Hear, Oh Lord, and listen to my cry

**C** **B** **D**

Give ear to me, Oh God, to my prayer

I call on you for I know you'll answer me

**C** **B** **D**

By your hand you saved me from such wicked men

**C** **B** **D**

Most High... all to the Lord Most High

**C** **B** **D**

Most High... all to the Lord Most High

And I... I will seek your face

Cause I... take refuge in you

Would you keep me as the apple of your eye?

And hide me in the shadows of your wings

Most High... all to the Lord Most High

Most High... all to the Lord Most High

And I will sing praise, Oh Lord, with all of my time

I will sing praise to, the Lord Most High

Would you take this life as a daily offering?

As I pick up my cross to follow the King of Kings

Most High... all to the Lord Most High

Most High... all to the Lord Most High

Most High... all to the Lord Most High

Most High... all to the Lord Most High
